If any of the provisions contained in this Agreement are held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be effected or impaired thereby.

GUARANTY AGREEMENT

In consideration of A&A's sale of material, products or services with credit to the Buyer shown, the undersigned and if more than one guarantor, jointly and severally (herein referred to collectively as "Guarantor") of Buyer do (does) hereby irrevocably, unconditionally guarantee the full and prompt payment of all indebtedness of Buyer to A&A. The Guarantor's liability hereunder shall not be impaired by any modifications of any of the said indebtedness, or by the acceptance by A&A of any security for such indebtedness, or by the filing of any liens by A&A to realize upon any such securities or by application or payments or credits on the account of the Buyer. It shall not be necessary that A&A resort at any time for payment to the Buyer or to anyone else in order to hold the Guarantor liable hereunder, and no act or omission on the part of A&A in enforcing its claim against the Buyer shall impair this Guaranty. All diligence in collection and all presentation for payment, demand, protest, and notice to anyone of dishonor and of default and of non-payment and of the creation and existence of any and all said indebtedness, liability or obligation, and of the acceptance of this Guaranty, and of any and all extensions of credit hereunder are hereby expressly waived by the Guarantor. This Guaranty shall be unlimited in amount. The Guarantor does hereby authorize and consent that A&A from time to time, without notice to the Guarantor, may give and make such extension, renewals, settlements, and compromise as it may deem proper with respect to any indebtedness of the Buyer covered by this Guaranty, and that any such change shall not effect Guarantor's obligations hereunder. In case of dissolution, liquidation, insolvency, receivership, bankruptcy, or other proceeding under the bankruptcy act of the Buyer, all the said indebtedness shall, at the option of A&A, become immediately due and payable and shall forthwith be paid by the Guarantor in the same manner as though the same had matured by the lapse of time. The Guarantor hereby acknowledges the terms and conditions of Buyer's account with A&A and agrees to bound by all of Buyer's payment terms, conditions and jurisdiction, venue and choice of law provisions including but not limited to the following terms set forth above. This guaranty shall be governed, interpreted and construed in accordance with the substantive and procedural laws of the State of Maryland. Any action at law, suit in equity, or other judicial proceeding for the enforcement of any provisions of this guaranty or for any dispute arising out of or related to this guaranty shall be instituted only in the courts of the State of Maryland; however nothing in this Guaranty Agreement shall limit A&A's right to bring a legal suit, action, or proceedings against the Guarantor in any other State Court of other forum of proper jurisdiction. The Guarantor hereby waives the right to change of venue.
